FOR IMMEDIATE RELEASE:

January 10—February 4, 2007

Touchstone Gallery, featuring contemporary
art in the revitalized Seventh Street corridor, announces:

1 + 1

**Touchstone Artists
Touchstone Friends**

Opening Reception: Friday, January 12, 6—8:30 pm

3rd Thursday Reception: January 18, 6—8 pm.

Each one brings one: During the month of January, 2007, each Touchstone member invites another artist to show with them, resulting in an eclectic and sometimes surprising selection of contemporary art in acrylic and oil, photography, collage, sculpture, and printmaking. Works from regional artists, as well as some from further a field, promises to reveal unusual combinations of the figurative and the abstract, of the landscape and the mindscape.

Touchstone has been serving the Washington area community for thirty years by exhibiting consistently fine contemporary art. During this time the artist-owned gallery has shown versatility and creativity, consistently exhibiting varied works that stimulate the viewer's eye, imagination and heart.
