**"DOUBLE VISION"**  
**One space; 60 local artists.**

**Opening Reception: Friday, January 11, 2008 6 - 8:30 pm**

A show in which each Touchstone member artist invites one friend to show a piece of art work.

Double Vision allows not only a taste of what each Touchstone artist is doing (one piece each) but also THE taste of each Touchstone artist. By inviting a guest artist to show work with one's own, the artist's vision is displayed beyond the subjective to the objective. Come and let us share with you what we find aesthetically pleasing/ exciting/challenging. There will be great variety - from representational to abstract, hard edge to impressionistic; sculpture, painting, photography and many other media.

Touchstone, an artist-owned gallery, has been serving the Washington community for over thirty years by exhibiting the highest quality of contemporary art to the discerning eye and the creative imagination of our patrons.
