“MY SPACE on 7th”

Opening Reception and Wine Tasting

Friday, July 11, 6- 8:30 pm

My Space on 7th, a new tradition (second year) at Touchstone Gallery fulfills two perpetual needs: that of artists for exhibition space, and that of collectors for work they don't yet know, often at very reasonable prices. The beginning artist has the chance to be discovered, while the established artist has the opportunity to go in a totally new direction.

Opening July 11th, this explosion of art will fill the main gallery. Building on the success of last year's show, three-dimensional works will be included this year as well. Due to an overwhelming response all wall spaces sold out within the first half hour of registration, which was by e-mail only, on a first-come, first-served basis.
